Khun has an adult criminal history that began at the age of 19 and includes convictions for own / operate a 'chop shop', vehicle theft, speed contest with prior with injury and suspended license. Khun most recently served a two (2) year state prison term for own / operate a 'chop shop'. Khun was released from state prison to the supervision of the Los Angeles County Probation Department on April 10, 2012. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in February 2013 after Khun absconded from post release community supervision (PRCS). Khun qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for own / operate a 'chop shop' is defined as non-serious and non-violent under the California penal code. His prior criminal history and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
